¿Y si mi dispositivo no está en la lista?

Estos son los modelos compatibles de los principales fabricantes con los que trabajamos en simyo. **Si tu modelo no está en la lista, consulta con el fabricante** la compatibilidad antes de solicitar el servicio de eSIM.

¿Qué pasa si tengo un Apple Watch?

Los Apple Watch, aunque sean la versión “Celular” y sean compatibles con una eSIM, **de momento no son compatibles con la eSIM de simyo**. Para funcionar con eSIM necesitan también el servicio de MultiSIM (poder tener el mismo número en varios dispositivos a la vez). Esa función no está disponible actualmente en simyo.
